

# RESPONSIBLE REEF FISHING

Participate in  
**FISHER  
COMMITTEE**  
meetings

**EDUCATE**  
your community

**REPORT ANY INSTANCES**  
of harmful fishing practices to  
the relevant authorities

**RELEASE PARROTFISH**  
They are important herbivores  
on coral reefs

**RECORD  
AND SUBMIT**  
your catch to  
fishing managers

Fish only using  
**HAND LINE**  
to reduce catch of  
non-target species

Release  
**ALL JUVENILE**  
fish caught

Use  
**VESSEL  
MONITORING  
DEVICES**  
to ensure  
safety at sea

**MAINTAIN THE  
QUALITY**  
of fish by keeping them  
in the shade or in  
cool boxes

**RESPECT**  
protected species

**HEALTHY FISH  
POPULATIONS**

=

**HEALTHY  
CORAL REEFS**
