

Marine Protected Areas

You have helped Nadia find a safe place for her family and friends... Now it's time to test what you have learnt!

Where are you more likely to find...?

Answer with "Inside an MPA" or "Outside an MPA"

Where would you find the most fish?

.....

Where are fishing boats allowed to operate?

.....

Where are habitats more likely to be healthy?

.....

Where would a fish be able to grow bigger?

.....

Where would you more likely find entangled marine animals?

.....

Where would you likely find undamaged coral reefs?

Where would Nadia encounter a fishing boat?

Tick the right choice(s)

What would an MPA protect?

☐ Coral reefs

☐ Fishing boats

☐ Plastic pollution

☐ Marine animals
